MEMORANDUM FOR THE RECORD

SUBJECT: Revision of Projected Disability Retirements Made on 12 April 1967

1. The projections for disability retirements made on 12 April 1967 are high due to a mistake that was made in figuring the projections. The CIAR projection for disability retirements should have been subtracted not added to the total projection for disability retirements. Thus, the total projection is incorrect by a total of [REDACTED]. The total disability projection should read [REDACTED] CSR disability retirements, [REDACTED] CIAR disability retirements for a total of [REDACTED] retirement losses via disability.
